

Welcome Class 1 Dinosaur Detectives.

You have been busy finding out lots of information about dinosaurs. You have learnt some dinosaur maths; written some dinosaur riddles and even hunted for dinosaur eggs. We would like you to make a little dinosaur project of your own.

You could....

- ✔ Design your own dinosaur
- ✔ Make a big model of a dinosaur
- ✔ Make up a dinosaur song or dance to perform
 - ✔ Bake some dinosaur cakes
 - ✔ Write a dinosaur adventure
 - ✔ Make a dinosaur fossil
- ✔ Make an information booklet
- ✔ Create a dinosaur piece of art....

OR...

Come up with your own idea.

We can't wait to see what you do and there will be prizes for the best project and everyone will come to see your work on display at the end of term.

Please hand in your project by Tuesday, 7th February

Have a dino-tastic time!
