

Topic Homework: Class 3

The aim is to produce a project on one of the following topics which we are studying this half term:

Unit title: Off With Her Head

(Some ideas – or choose one of your own).

- Design your own machine in which to carry out your beheadings like Henry VIII
- Research and produce your own family tree in the same style as Tudor families
- Produce a newspaper detailing the events of any crime punishment in the time
- Design and make Tudor costumes and jewellery
- A self or family portrait in the style of Tudor times

Be creative.

You have **5 weeks** in which to complete your project. A suggested timetable:

Week 1: Plan your project by writing down at least 5 things which you would like to find out and how you could do this. E.g. A visit to family take photographs, internet, visit the library to collect information, use books at school. Remember that you can include information, which you have found out in school. Think about how you would like to present it.

Week 2: Start to collect information and research your project.

Week 3, 4 and 5: Put together your project, thinking carefully about your presentation.

If you need any help at all please see Miss Dinsdale before the **homework is due in on Tuesday 28th March.**
