

Sports Premium Funding - 2017- 18 - Provisional Plan - £16, 500

Altarnun school seeks to improvement again the 5 key indicators expressed by the government. These are:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport.

To enable this, the school is using the following aspects to improve provision:

- The use of physical activity to develop gross motor skills in our very young children so that they easily can develop fine motor skills activities such as writing.
- To ensure that our children are able to access sports competitions at school and at other locations.
- To broaden children’s access to different types of physical activity so that everyone feels included – whatever their ability
- To ensure that the children have the best possible play experience at lunchtimes and at breaktimes so that physical activity is enjoyed, linked with the development of social skills, pupil wellbeing and confidence – outside and in the classroom.
- To access physical activities which will inspire vulnerable learners develop their literacy and numeracy skills.
