### EYFS Homework Tasks - Summer term 2

Dear Parents/Carers,

Please support your child in completing the following homework tasks. Reading, counting and spellings should be completed daily and letter/number formation weekly. Choose one of the creative tasks to complete over the half term – either draw into the homework book or send any models into school by 16<sup>th</sup> July. Many thanks.

Mrs Medland

#### Number

Counting in twos to 20 then when confident, count back again.

Counting in five to 50 then count back again.

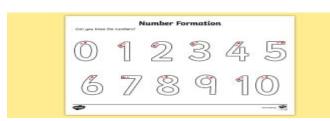

### Physical Development - Fine Motor

# Practice forming letters on the laminated sheet.

Daily practice is more beneficial, but at least twice per week. This sheet was given out last term but if you need a new one please let me know.

### <u>Physical Development - Fine Motor</u>

# Practice forming letters on the laminated sheet.

Daily practice is more beneficial, but at least twice per week. This sheet was given out last term but if you need a new one please let me know.

### Reading

Share a story every day and hear your child read their reading book daily.

#### Writing

These are given out each Monday and should ideally be practised daily. Spellings are tested each Friday morning.

## Expressive Arts and Design

Invent a new football kit or sports kit for a girl or boy to wear.

<u>Writing link -</u> Why not write a poster advertising your new kit?

### Expressive Arts and Design

Create a healthy food collage or painting. (You could do your collage on a paper plate with sections for

each main food group.)
